The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

A **maximum of 6.5 live contact hours (0.65 CEU)** of continuing pharmacy education is available to **pharmacists**. To claim credit, pharmacists must sign-in at the beginning of the activity and attend the entire activity (no partial credit will be issued if the pharmacist does not attend the entire activity). CE credit is included in meeting registration costs, and there are no additional fees. Pharmacists must follow the instructions provided at the convention to complete an online evaluation for each session attended within 30 days (providing their correct NABP e-profile number and day/month of birth) in order to have credit reported to the NABP CPE Monitor. *The NABP CPE Monitor automatically rejects all credit claimed greater than 60 days from the date of the live activity.*
